I let it fall, my heart,

And as it fell you rose to claim it.

It was dark and I was over,

Until you kissed my lips and you saved me

My hands they're strong,

but my knees were far too weak,
Dm F
Stand in your arms
C Bb
without fall to your your feet

[Refrain]

Bb Gm
But there's a side to you that I never knew, I never knew.
Dm Dm
All the things you'd say, they where never true, never true,
Bb C
And the games you'd play, you would always, always win.

[Chorus]

Dm Dm
But I set fire to the rain,
C
Watch it pour as I touched your face,
Gm
well it burn while I cry, (Bb) 2.Chorus2
Dm C
Cause I heard it screaming out your name, your name!

[Verse3]

When I'm with you
C Gm
I could stay there, close my eyes,
Dm F
feel you're here forever,
C Bb
You and me together, nothing is better!

[Refrain]

[Chorus2] (2x)

But I set fire to the rain,
Watch it pour as I touched your face,
well it burned while I cry,
Cause I heard it screaming out your name, your name!

I set fire to the rain

And I threw us into the flames
And it felt something die,
Cause I knew that that was the last time, the last time!

[Bridge]

Bb F/A
Sometimes I wake up by the door,
Am C
That heart you caught, must be waiting for you,
Bb F/A
Even now when we're already over,
Am C
I can't help myself from looking for you

[Chorus2] (2x)

[Coda] Oh oh oh uh ...
