 Tryin' not to show her age
 Even though the winds of change
 Keep on blowin'

 Here on Seventh Avenue
 I tip my old top hat to you
 I hope you find somebody who

 But it's much too late for now to be like yesterday
 And the time is running out and we still have to say

 The winter wind will slowly take

Intro: || Dm | F | C | Gm ||

[Verse1]

Dm F
I let it fall, my heart,

And as it fell you rose to claim it.

It was dark and I was over,
C Bb
Until you kissed my lips and you saved me

[Verse2]

Dm F
My hands they're strong,
C Gm
but my knees were far too weak,
Dm F
Stand in your arms
C Bb
without fall to your your feet

[Refrain]

Bb Gm
But there's a side to you that I never knew, I never knew.
Dm Dm
All the things you'd say, they where never true, never true,
Bb C
And the games you'd play, you would always, always win.

[Chorus]

Dm Dm
But I set fire to the rain,
C
Watch it pour as I touched your face,
Gm
well it burn while I cry, (Bb) 2.Chorus2
Dm C
Cause I heard it screaming out your name, your name!

[Verse3]

Dm F
When I'm with you
C Gm
I could stay there, close my eyes,
Dm F
feel you're here forever,
C Bb
You and me together, nothing is better!

[Refrain]

[Chorus2] (2x)

But I set fire to the rain,
Watch it pour as I touched your face,
well it burned while I cry,
Cause I heard it screaming out your name, your name!

I set fire to the rain

And I threw us into the flames
And it felt something die,
Cause I knew that that was the last time, the last time!

[Bridge]

Bb F/A
Sometimes I wake up by the door,
Am C
That heart you caught, must be waiting for you,
Bb F/A
Even now when we're already over,
Am C
I can't help myself from looking for you

[Chorus2] (2x)

[Coda] Oh oh oh uh ...
