

Capo 2

# ships IN THE Night

Mat Kearney Tempo 88 Orig. A-Dur

INTRO Piano

CHORUS 1 ...

STROPHE 1

Like ships in the night letting cannon balls flying,  
 Say what you mean and turn to a fight  
 And fists fly from my mouth, it turns south,  
 you're down the driveway and I'm on the couch  
 Chasing dreams since the violent 5th grade,  
 Trying to believe in your silent own way  
 Cause we'll be okay, I'm not going away  
 like you watching at fourteen as it went down the drain  
 And pops stayed the same, and your moms moved away  
 How many of our parents seemed to make it anyway?  
 We're just fumbling through the grey,  
 Trying find a heart that's not walking away.

PRE CHORUS

I turn the lights down low  
 Walk these halls alone  
 We can feel so far from so close

STROPHE 2

And I'm at the airport waiting on a second plane,  
 Had to pack, you had cramps and I was late  
 Headed to a red carpet, they won't know my name  
 Riding in silence all that we wanna say  
 About to board when you call on the phone  
 You said, „I'm sorry I'll be waiting at home.“  
 Feels like we're learning this out on our own  
 Trying to find our way down road we don't know.

CHORUS 1

Like ships in the night,  
 you keep passing me by  
 We're just wasting time  
 Trying to prove who's right  
 And if it all goes crashing into the sea,  
 If its just you and me trying to find the light.

CHORUS 2

Like ships in the night,  
 you keep passing me by.  
 You keep passing me by,  
 like ships in the night.
