```
   Hm          G              D      D
Feeling my way through the darkness

   Hm     G          D     D
Guided by a beating heart

   Hm     G            D      D
I can't tell where the journey will end

   Hm   G           D     D
But I know where it starts

   Hm          G              D        D
They tell me I'm too young to understand

   Hm        G            D       D
They say I'm caught up in a dream

   Hm          G              D           D
Well life will pass me by if I don't open up my eyes

   Hm       G       D    D
Well that's fine by me

12x Rep.

2 I tried carrying the weight of the world
But I only have two hands
Hope I get the chance to travel the world
But I don't have any plans
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is the prize

Chorus: 2x

I didn't know I was lost
I didn't know I was lost
I didn't know I was lost
I didn't know

Ending wie Interlude: 3x4 Synthi-Riff
