The truth is spla-sing coo-ly, the waves are rai-sing up,
 Can you hear them mur-mur-ring, the wa-ter is glea-sing blue
 Your sound is soo-thing, you glea-ming in e-very co-our
 Can you hear the tone of the sea? When do you wake up it's just a dream. Re-

a-li-ty is ne-ver what you ex-pect Some
 times is good, some-times you have to re-je-e-ct
 Just decide on your own what's right and what is wrong. All-
 fine
 though it may be hard you are strong.

When you look into my eyes do you see someone who tries?

When you look inside my soul do you see someone who knows?

You can't know -w if it's right what you think is inside.

You can't know if need you, if I hate or I love you
